

Find Your Future with NEIU and MyPlan

Free online career exploration tools for students and alumni!

- **Assessments** can help you learn more about yourself. Explore your interests, skills, values, and personality and how they relate to a wide variety of majors and careers.
- **CareerMatch** will produce dozens of potential career paths for you to explore. Find out about qualifications, job duties, related majors, and more. Watch videos of people in those careers talking about their jobs.

To get started,

1. Visit www.NEIU.myplan.com and click on “Create free account”
2. Enter all required account information
3. At the end of the registration information, enter the NEIU *license code*, which is **D2783VQW**. This code allows you to take all assessments at no cost to you

Validate your results and further explore your options.
