NORTHEASTERN ILLINOIS UNIVERSITY TUITION GUARANTEE PLAN

In 2003, the Illinois General Assembly amended the Northeastern Illinois University Act to include a four-year tuition guarantee for new undergraduate students beginning with the Fall 2004 semester. The purpose of the Act is to assist students and their families, at the beginning of the college experience, to be aware of what the costs of college tuition will be for the next four years. The Tuition Guarantee Plan applies to all newly enrolled undergraduate students, including transfers, and guarantees the same tuition rate for four continuous academic years. The Tuition Guarantee Plan applies only to tuition. The Tuition Guarantee Plan does not apply to fees.

TUITION GUARANTEE PLAN CLASSIFICATION

For each student, the Tuition Guarantee Plan begins with the first term of enrollment. Under the Tuition Guarantee Plan, the tuition rate for new undergraduate students first enrolling at NEIU in the Fall 2004, or thereafter, will be held constant for four continuous academic years.

New Students - The Tuition Guarantee Plan applies to all newly enrolled undergraduate students (freshman, transfers, and students-at-large) seeking their first bachelor's degree beginning with the Fall semester 2004, or thereafter, and will be effective for four continuous academic years. Newly enrolled is defined as undergraduate students seeking their first bachelor's degree and registered for at least one class on or after the first day of the term. The four-year tuition guarantee expires at the end of the term (Fall, Spring, or Summer) immediately preceding the four-year anniversary of the student's initial enrollment. (For example, students who enter the Fall 2012 semester will be guaranteed their tuition through the Summer 2016 term).

EXTENSION TO TUITION GUARANTEE PLAN

Beginning in the Fall 2010 term, undergraduate students who previously qualified for the Tuition Guarantee Plan, as defined above, will now qualify for two additional years of guaranteed tuition. The tuition rate for the additional two years is equal to the amount charged to undergraduate students seeking their first Bachelor's degree who initially enrolled in the academic year following the students with the additional tuition guarantee. For example, students who first enrolled in Fall 2007 had their tuition guaranteed at the same rate through Summer 2011, and now will have their tuition rate guaranteed for two additional consecutive academic years at the rate charged to students who first enrolled in Fall 2008.

STUDENTS WHOSE GUARANTEE EXPIRES

The Tuition Guarantee Plan as described above will expire after six continuous years following initial enrollment, or upon completion of a bachelor's degree, whichever comes first.

Readmitted Students - Students who withdraw for any reason, other than being called up for active military service, and re-enroll will retain the guarantee rate they had when they withdrew from the university. The tuition guarantee will not be extended as a result of withdrawal.

Full-time or Part-time - The determination of eligibility for the Tuition Guarantee Plan is not affected by full-time or part-time enrollment status; all new undergraduates are included.

Students Changing Majors - The Tuition Guarantee Plan expiration date will not change for students changing their major.

Questions concerning this policy can be directed to the Office of Enrollment Services or Bursar's Office.

COURSE IDENTIFICATION CODES

Each course is designated by a three or four digit number identifying the individual course, a one, two, or three digit number indicating the specific section of that course, and ending at the far right of each course a five digit course reference number (CRN). The three or four digit number that identifies the course indicates the level of complexity. Courses which count toward the general education requirements are identified by: (FA) for Fine Arts, (HU) for Humanities, (SB) for Social/Behavioral Sciences, (NS) for Natural Sciences, (NSL) for Natural Sciences Lab, and (MA) for Mathematics/Quantitative Reasoning.

It is the responsibility of each student to enter the proper course reference number when registering. The course reference number is the key identifier for all registration activities. If you enter the wrong course reference number, your registration for that course may return a "Registration Add Error" message or you may be registered for the wrong course.

LEVEL CODES

A general guideline to the course numbering system is:

- 090 - level courses are developmental; credit does not apply towards graduation. Hours and grades for these courses will not count in hours earned or in the grade point average.
- 100 - level courses are usually taken during the freshman year.
- 200 - level courses are usually taken by sophomores.
100 and 200 level courses are lower division.
- 300 - level courses are upper division courses which are for advanced undergraduates, and under some conditions, graduate students.
- 400 - level courses are for graduate students ONLY. Undergraduate students graduating in August 2012, who wish to enroll in a 400-level course must contact Graduate Enrollment Services.
- 500 - level courses are for graduate students only.

SECTION CODES

Each individual section is designated by a one, two, or three digit combination of numbers and/or letters, which identify the specific section of that course. The letters used in some course sections serve as unique information related to that section. In addition, multiple letters may be used for one section (e.g. WL1 - Weekend Institute section meeting @ El Centro campus).

A general guideline to the section coding system is:

- C# - Contract course sections
- G# - Grant course sections
- J# - Meets @ Jacob H. Carruthers Center for Inner City Studies campus
- L# - Meets @ El Centro campus
- W# - Weekend Institute sections
- X# - Extension course sections (Meet @ designated off-campus locations, such as University Center of Lake County at Grayslake)

CONFIRMATION PROCESS:

To guarantee the registration of classes, all students must confirm their registration by the initial payment due date whether or not a bill is received. Failure to confirm by the due date will result in cancellation of registration. Students confirming their registration are responsible for the full tuition cost unless they officially withdraw by the established drop dates. **All students must confirm their registration.** The following are confirmation methods:

- Pay the entire cost of the registered classes, or pay the minimum, which is the initial payment amount and a \$10 deferred payment fee via <http://neiuport.neiu.edu>, by mail, drop box or in person. See Schedule of Tuition and Fee Payments Table for the initial payment amount.
- Students with authorized financial aid sufficient to pay the initial payment amount will be confirmed automatically.
- Students receiving financial aid (not authorized) must obtain a temporary confirmation waiver from the Financial Aid Office and present it to the Cashier's Office.

PETITION FOR REINSTATEMENT:

Those students whose class(es) were dropped because they did not confirm by the payment deadline during Change of Registration, may submit a petition to be reinstated into the class(es). Students must petition at the Enrollment Services Center during normal business hours. The student will need to pay the \$25 petition fee and the initial payment amount upon submission of the petition. **Note, students will be reinstated into all courses from which they were dropped.** In order **not** to have to pay for courses they are **not** attending, students who petition for reinstatement would have needed to drop these courses by August 23. Students who had dropped a course August 24-September 10 will be reinstated into these courses, but will be re-dropped manually and assessed 10% for the dropped course(s). Students not attending a course will be withdrawn ('W' grade) beginning September 11 and financially obligated for a portion of the withdrawn course. No petitions will be accepted after September 24 for students who registered during Change of Registration.

Please contact Enrollment Services for further instructions on re-registration.

Appealing for Financial Aid reinstatement is a separate process. Please contact the Financial Aid Office for details.

A \$15 fee will be assessed for each returned check received by the university. After two occurrences, the student will be precluded from making a payment by check for the next two years (three years after the third occurrence). FINANCIAL AID INFORMATION - FALL 2012

Room D200; Phone: 773-442-5016; Web: www.neiu.edu/FinAid.htm;
Email Financial-Aid@neiu.edu

Information for grants, scholarships, loan and work programs are available on NEIUport and in the Financial Aid Office, D200. To be eligible for most Financial Aid awards, students must be enrolled at least half-time (minimum 6 credit hours for both undergraduate and graduate students) and must be admitted into a degree-seeking program.

To apply for Financial Aid for Fall 2012, students must complete the 2012-13 Free Application for Federal Student Aid (FAFSA) at www.fafsa.gov and indicate NEIU (school code 001693) as one of their school choices. FAFSA results will then be sent to NEIU. Additional documentation may be necessary to verify the FAFSA information and to determine the student's eligibility for financial aid programs. Once the FAFSA is received, students can check requirements necessary to complete their application on NEIUport at <http://neiuport.neiu.edu>. Students can also check award status and academic progress status on NEIUport. For more information about NEIUport, see page 17.

Financial aid awards will be processed in the date priority order that the student's FAFSA results are received at NEIU, and as funds are available. Students whose FAFSA results are received at NEIU after May 1, 2012 should be prepared to make an initial down payment on their Fall 2012 fee bill using their own resources. If the student is later determined to be eligible for financial aid funds, a refund will be issued for eligible payments made.

Once eligibility has been determined, Financial Aid awards will be applied towards the student's tuition & fees due. Tuition based scholarships (IL Veterans Grant, IL National Guard, Cooperating Teachers, Civil Service Employees) must be processed first at the Financial Aid Office 2 weeks prior to the Payment Due Date.

Automatic Confirmation Procedure for Financial Aid Recipients

Students who have enough Financial Aid funds (including Student Loans) appearing on their Account Detail for Term online in NEIUport to cover the minimum deposit, will automatically be confirmed prior to the Payment Due Date. **If no Financial Aid funds appear, or are not sufficient to cover the minimum payment due, a minimum payment will be required by the Payment Due Date to confirm classes.** Check page 13 for due dates and minimum amounts required. **ONCE CONFIRMED, STUDENTS MUST DROP COURSES VIA <http://neiuport.neiu.edu>.**

Drop Deadlines and Financial Aid Eligibility

Most Financial Aid Programs will be based on your **TOTAL ENROLLED HOURS** as of End of Business Day on **September 11, 2012**.

Most Financial Aid Programs **WILL NOT PAY** for classes dropped during the 90% refund period **August 24-September 10, 2012**. **Students will be responsible for the 10% cost of classes dropped during this period.** Students with IL Veterans Grant and IL National Guard will have this 10% covered; however, this will impact Eligibility Units available for future payments. See page 12 for more information about Add/Drop deadlines.

Once tuition & fees have been paid, students may use excess funds toward books at Beck's Bookstore during the first week of classes. Check the Financial Aid website www.neiu.edu/FinAid.htm for dates, times & locations. Any excess financial aid funds remaining will be issued as a disbursement refund to the student—see **Refund Disbursement** (below).

For additional information, check the NEIU website: www.neiu.edu/FinAid.htm or email us at FinancialAid@neiu.edu

REFUND DISBURSEMENT

Students may now receive their refunds electronically. Please see the **Payment/Refund** link found in the Registration Tools channel, on the Current Student tab of NEIUport for instructions on setting up your electronic refund! Student refunds processed electronically will be disbursed up to one week prior to student refund check disbursements.

Students wishing to pick up their refund checks must do so in person. Two forms of identification are required.

An NEIU Student ID (mandatory)

Any other photo ID

Refunds will be disbursed beginning September 26, 2012 at 1:00 p.m.

Please note: Complete withdrawals or a semester with no grades earned may require a return of refunds.

Any refund checks not picked up in person will be mailed after the last date to drop classes, regardless of the amount or type of check. You must update your address on NEIUport if you change your address.

If you have any questions, please contact the Student Loan Department at (773) 442-5175.

COMPLETE WITHDRAWALS/RETURN OF TITLE IV FUNDS POLICY FOR FINANCIAL AID RECIPIENTS

Students who completely withdraw* from all classes through the 60 percent point of the term must repay a portion of financial aid funds received. The amount you repay will be based on the amount of time you attended classes. In most cases, you are entitled to keep the percent of aid that equals the amount of time you attended the term. For example, if you completely withdraw from classes at the 30% point of the term, you can keep 30% of your financial aid and would need to repay up to 70% of the aid you received.

NEIU will return these funds to the U.S. Department of Education (for Pell Grants, SEOG Grants, TEACH, Perkins Loans or Direct Stafford Loans) and will charge your student account. Students must make arrangements to repay any amounts owed before being allowed to enroll again at NEIU or receive additional Title IV funds.

*NEIU considers that you are completely withdrawn from classes on the day you drop your last class online via <http://neiuport.neiu.edu>. Students who do not officially withdraw and can document their last day of attendance will be considered as having attended 50% of the term, and will be responsible for repaying 50% of all federal aid received.

Students who do not attend classes will be responsible for repaying 100% of all federal aid received.

If the student is classified in error as a non-resident, the change in tuition shall be applicable to the term in which the reclassification occurs. A written request for reconsideration must be filed within thirty calendar days from the date of assessment of tuition. For additional information refer to the current University Catalog.

To view textbook information, click on Look Up Classes in the Registration Tools Channel. Enter the subject and course number of the course and click on Class Search, then click on the CRN of the course section of interest. Click on the "Syllabus Available" link. Weekend Institute Courses

The Weekend Institute for Professional Development provides students with course offerings on Friday evenings, as well as Saturday mornings and afternoons at three sites: El Centro, the Jacob H. Carruthers Center for Inner City Studies, and on the Main campus. Courses are also provided on Sunday afternoons on the Main Campus.

Courses are offered in two tracks, Pre-Education and Professional Studies. Students who complete the 10 courses (30 credit hours) in the Pre-Education track will satisfy all **course work** for admission into the College of Education. Additional College of Education admission requirements may be found on the College of Education web site. Students in the Professional track will take 10 courses (30 credit hours) that have been selected to enhance their skills in both the business and organizational environment.

The Weekend Institute also offers other courses for students that want or prefer this type of course offering. Courses being offered during the Fall 2012 semester include:

College of Arts and Sciences

The university reserves the right to limit class enrollment and cancel classes because of insufficient enrollment, budget limitations, lack of an appropriate instructor, or other unforeseen circumstances.

DISTANCE EDUCATION COURSES

Northeastern Illinois University offers selected courses that are delivered online and through a two-way interactive video teleconferencing network. Each of these courses will be identified as a hybrid, online, or videoconferencing course.

SATELLITE AND OFF-CAMPUS COURSES

Northeastern Illinois University offers undergraduate and graduate-level courses at two satellite campuses in metropolitan Chicago including the Jacob H. Carruthers Center (700 E. Oakwood, Chicago) and El Centro (3119 N. Pulaski, Chicago). It also offers courses at several off-campus sites including the University Center of Lake County (1200 University Center Dr., Grayslake, IL).

Listings for courses at the University Center are shaded and the building is indicated as "ZUCG" in the printed NEIU Schedule of Classes. The most updated schedule of courses (with room information) can be found online via NEIUport, which is NEIU's university-wide internet portal. If you do not have a student NEIUport account, you can still access the online schedule of classes via the NEIU home page (www.neiu.edu), then click on the "Current Students" tab. For more information about courses offered by the College of Arts and Sciences at the University Center, please contact the academic department office offering the course.

REMINDER!! The schedule printed here is subject to change. Please use the schedule on NEUport to get the most up-to-date information.

Successful completion of course prerequisites is required before registration is permitted. If manual verification of prerequisites is needed, a course permission form is submitted to the Mathematics office, BBH-214B, for processing. This form is made available two weeks prior to advance registration and can be obtained from the Mathematics office, BBH-214B or our department website www.neiu.edu/~math. Follow the instructions carefully.

In addition to NEIU coursework, prerequisites may also be met by qualifying transfer coursework, ACT or Math Placement scores. Prerequisites for Mathematics courses are accessible on NEUport and can also be found in the most recent academic catalog.

For the most up-to-date information, please check the bulletin boards by the Math Office BBH- 214B, the department website www.neiu.edu/~math or contact the Mathematics Department at ext. 5776 or 5760.

IMPORTANT INFORMATION FOR MATH 090, MATH 091, & MATH 092

NEIUport will allow you to register for a Mathematics Development class if you have completed the NEIU Mathematics Placement Test or your Math ACT score has been filed with the university. Math ACT Scores for Course Pre-requisites are:

Math 090 Elementary Algebra	Math ACT Scores: 15 or less
Math 091 Intermediate Algebra I	Math ACT Scores: 16 to 18
Math 092 Intermediate Algebra II	Math ACT Scores: 19 to 21

If you need to take the Math Placement Test, contact Academic Advising, LWH 0027, regarding Mathematics Placement Testing, 773-442-5470. Placement Test results are obtained from Academic Advising, LWH 0027. After your Math Placement has been completed and course work has begun, a final grade of C or higher is the prerequisite to advance to the next course.

Transfer students, who have completed Intermediate Algebra with a grade of "C" or higher at another college or university will be recognized as a pre-requisite for college level one

DISTANCE EDUCATION COURSES

Northeastern Illinois University offers selected courses that are delivered online and through a two-way interactive video teleconferencing network. Each of these courses will be identified as a hybrid, online, or videoconferencing course.

SATELLITE and OFF-CAMPUS COURSES

Northeastern Illinois University offers undergraduate and graduate-level courses at two satellite campuses in metropolitan Chicago including the Jacob H. Carruthers Center (700 E. Oakwood, Chicago) and El Centro (3119 N. Pulaski, Chicago). It also offers courses at several off-campus sites including the University Center of Lake County (1200 University Center Dr., Grayslake, IL).

Listings for courses at the University Center are shaded and the building is indicated as "ZUCG" in the printed NEIU Schedule of Classes. The most updated schedule of courses (with room information) can be found online via NEIUport, which is NEIU's university-wide internet portal. If you do not have a student NEIUport account, you can still access the online schedule of classes via the NEIU home page (www.neiu.edu), then click on the "Current Students" tab. For more information about courses offered by the College of Education at the University Center, please contact the academic department office offering the course.

COLLEGE OF ARTS AND SCIENCES

COLLEGE OF ARTS & SCIENCES EDUCATION PROGRAM (CASEP)

The College of Arts and Sciences Education Program (CASEP) is a pre-service education learning community for students who are interested in becoming Pre-K-12 teachers. CASEP offers students the opportunity to begin their teacher training their first semester of college rather than their third year of college. Students accepted to Northeastern Illinois University are eligible to apply to CASEP. CASEP classes are linked and/or co-taught and help satisfy General Education requirements. In addition, CASEP has its own counselor to help guide you through your critical first two years of college. Also, as a first year CASEP participant you will have the opportunity to observe in elementary and high school classrooms alongside practicing teachers.

The following are the College of Arts and Sciences Education Program's freshman and sophomore classes (All classes require CASEP authorization and with one exception are only open to CASEP students):

Freshman Courses:

CMTC 100 (Introduction to Communication)

CMTT 130 (Introduction to Theater)

U. S. History 214

School and Society (Sociology 104)

Sophomore Courses:
